

6. Connect the charging cable.

7. Cover the charging cable with the cable protector. Clip on skin and lock with the tie-wrap.

TITAN SKIN^{VR}

for Pico G3
- Instruction guide -

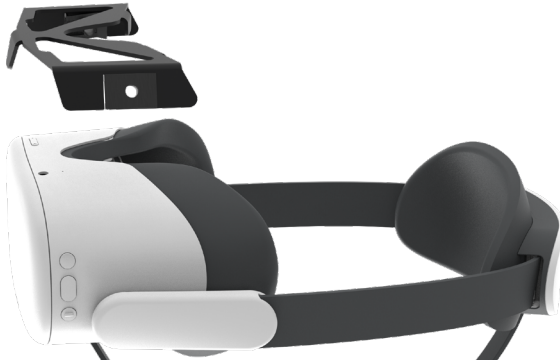

V1.0

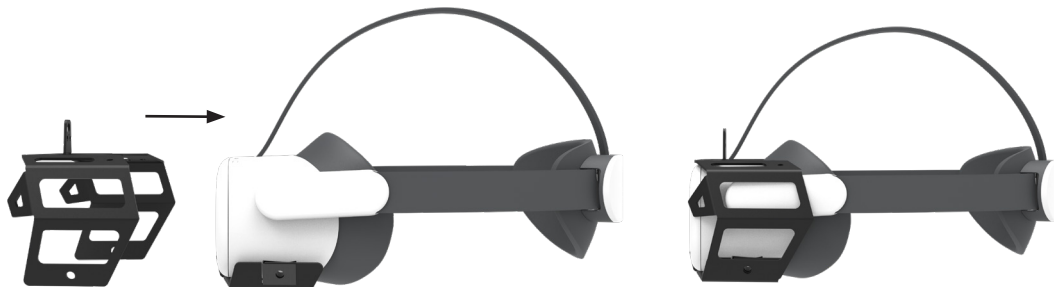

1. Mount the clips on the sides of the bottomplate

2. Place bottomplate on the bottom of the VR headset

3. Shift the top over the VR headset

4. Connect the top and bottom parts by using the screws.

5. Add the rubber ring, only need in case the VR headset will be secured at this loop. For example, in combination with our retractor pulley.
